Re: Patent Application No. 10/605,040

Selection of specific species:

Based upon the guidance you provided for my Patent Application No. 10/065,732, I elect to do the following for Patent Application No.: 10/605,040

In accordance to your stated requirements I elect Figure 4 as the species of choice for further prosecution.

Accordingly, I have revised the Claims that are readable on the elected species "Figure 4". The listing of said claims is shown in Memo 2.

I hope this expedites the processing of the above referenced patent application.

Happy Holidays!
